

Landscape Lighting  
by  
Illumination FL<sup>TM</sup>

*Simple. Elegant. Functional.*

# Who We Are

Illumination FL is the premiere landscape lighting company in Florida. We are a family-owned business, focused on the design and installation of high-quality systems that improve our customers' outdoor experience.

By accentuating unique architectural and natural features, we create welcoming and dramatic outdoor scenes, revealing the beauty of your home and outdoor space.

# Experience, Quality, Dependability

# Experience

*“You cannot create experience. You must undergo it.” -Albert Camus*

Launched in 2003, Illumination FL boasts a vast and diverse customer base.

Having installed over 5,000 landscape lighting systems across Florida, we are intricately familiar with the technical and aesthetic aspects of our projects.

We are a team of landscape lighting specialists. Our designers and field technicians are masters of their crafts, focused solely on ensuring we consistently deliver stunning results for both residential projects and commercial developments.

# Quality

*“Quality is not an act, it is a habit.” -Aristotle*

Good landscape lighting requires proper design, the finest products, professional installation, and proper maintenance.

Over the years, we have learned which products perform best in our climate. We design and install reliable, low-voltage fixtures, backed by manufacturers we have chosen to be our partners.

# Dependability

***“Consistently delivering on your promise value reinforces trust.”***

***- Bernard Kelvin Clive***

Choosing Illumination FL as your landscape lighting company means you are working with a team of specialists dedicated to ensuring the ongoing beauty of your property.

Our fixtures are backed by industry-best warranties, and our service plans are designed to keep your lights operating correctly and looking beautiful for years.

As a family-owned business based in Florida, we are personally and professionally invested in your project and constantly strive to exceed your expectations.
